[INTRO] Bm F# G E

Bm F#
If I died today Who'd turn off my coffee pot
G E
Would there be a street parade Would I just be an after-thought
Bm F#
If I died today Would I still be a waiter?
G E
Could I fly around like superman Would I make the Sunday paper?

[CHORUS]

Bm G Bm A
I wonder who I'd see Cryin' standin' over me
Bm G A
Who would just send their regards
Bm G Bm A
Would anybody say "at least he's in a better place"
Bm G A Asus A
And who would get this old guitar
Bm F#
If I died today Would my mama keep on praying'
G E
Would my buddies go out drinkin' Would my alarm clock keep on blinkin'
Bm F#
If I died today Would I need to be ashamed?
G E
Would I be easy to forget Could I live with my regrets?
Bm G Bm A
I wonder who I'd see Cryin' standin' over me
Bm G A
Who would just send their regards
Bm G Bm A
Would anybody say "the world will never be the same."
Bm G A Asus A
And who would get this old guitar
